Orlando, FL, June 8, 2015 - PR NEWSWIRE - Leading Regal Real Estate Professionals sales associate, Katherine Bordelon was awarded the elite distinction of "Christie's International Real Estate Luxury Specialist" following her participation in the second edition of the world's leading luxury real estate network's Top Agents Conference.

Katherine Bordelon was among the most successful real estate professionals within the Christie's International Real Estate network who took part in the symposium, hosted at the Trump International Hotel in Chicago on June 8-9. The 2015 Top Agents Conference provided an in-depth focus on the global luxury real estate market, trends in the art market, and other important topics in marketing through a range of special seminars led by top industry experts.

Criteria for participation in the Top Agents Conference required that each attendee be among the top 10% in sales volume of their affiliated brokerage. The prestigious designations awarded by Christie's Education were presented to each of the attendees at the event's close.
